VTCT Level 2 Certificate in Hairdressing and Beauty Therapy (VRQ) (AM20530)

We have included dates for LIVE training webinars, which you can [register to attend here](#). These webinars are free of charge to attend.

Attendance to the webinars is optional but we would strongly encourage a member of staff from each centre to attend. The calendar has been published for the full academic year with the intention that centres can plan to release staff to participate in them. VTCT will issue a certificate of attendance for all those that participate.

There are two types of webinars: a general “Best Practice Administration Guidance” which includes practical support for uploading evidence and using the Linx2 system; and an Assessment Overview workshop that will be hosted by the VTCT Assessment Leads.

Supporting centres with training and delivery

VTCT’s Teaching and Learning Mentor, Caroline King will be hosting a series of webinars to support training delivery around the new Assignment Briefs for 2016-2017. These will be available on the website from Wednesday 6 July 2016. Webinars can be accessed on the qualification page and clicking on the ‘Webinar’ tab.

If you require any further information, please do not hesitate to contact the VTCT Assessment Department on exams@vtct.org.uk
