Dear Lynda

Ref: Letter of Recognition for VTCT Level 3 Hairdressing Qualifications

The Hairdressing Council (HC) recognise the need for the following qualifications to be included into the key stage 5 section of qualifications, and in turn, onto the 16-19 performance tables.

The HC agrees these qualifications are 'fit for purpose' i.e. is deemed to provide the specialist knowledge and skills relevant to a hairdresser that can be reasonably expected of an 18 year old learner.

- 500/8737/X VTCT Level 3 Diploma in African Caribbean Hairdressing (QCF)
- 600/8708/0 VTCT Level 3 Diploma in Hairdressing Studies (QCF)

The HC agree for the company logo and website to be made public in support of these qualifications.

The Hairdressing Council is a professional body that keeps the register of qualified hairdressers and barbers in the UK. The HC actively campaigns towards mandatory state registration for hairdressers and barbers and in turn a raise the standards and professionalism of the industry. The HC is working closely with VTCT to ensure any future qualifications are fit for purpose.

Yours sincerely
