Dear Ms. Fagan,

Re: Support for the VTCT Level 4 Certificate in Salon Management (QCF) (600/1396/5)

The British Association of Beauty Therapy and Cosmetology (BABTAC) is representative of the VTCT qualification mentioned below, we have reviewed this qualification and the outcome of our review is as follows:

BABTAC recognises that this qualification leads to the specific job role of:

- Salon manager

The VTCT Level 4 Certificate in Salon Management (QCF) is suitable for preparing learners for employment in the hair and beauty sector as a salon manager. This qualification equips learners with skills and knowledge of the management of health, safety and security in the salon and overall salon management.

BABTAC members value this qualification because they are employers of salon managers and this qualification confirms a level of proficiency in salon management skills.

BABTAC is of the view that this qualification is ideal for preparing learners for a career as a salon manager and we strongly recommend that the SFA fund this qualification for adults for this purpose.

BABTAC consents to the publication of this letter.

Yours sincerely,

Jason Phillips
