Dear Carina,

Re: Support for VTCT qualifications

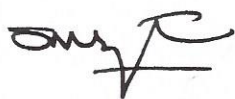

I understand that VTCT is seeking formal support for its newly developed NVQs in hairdressing and barbering to be included in the technical certificate category of the Department for Education's 16-19 performance tables. The qualifications are as follows:

- 601/5886/4 - VTCT Level 2 NVQ Diploma in Hairdressing (QCF)
- 601/5887/6 - VTCT Level 2 NVQ Diploma in Barbering (QCF)

My colleagues and I have reviewed these qualifications and are pleased to confirm that they are fit for purpose, highly relevant and will serve a valuable purpose in preparing learners for employment as a junior hairdresser or barber, respectively.

Please accept this letter as support for the qualifications listed.

Yours sincerely,

Sally Styles
Registrar
