Dear Rob

We have reviewed the design structure and content of the following qualification which has been developed by iTEC/VTCT:

**TITLE OF QUALIFICATIONS:**

VTCT (ITEC) Level 2 Award in Infection Prevention (COVID-19) for Hairdressing and Barbering Services	603/5912/2
VTCT (ITEC) Level 2 Award in Infection Prevention (COVID-19) for Beauty Therapy and Nail Services	603/6159/1

We are pleased to support this qualification which is relevant, current, of suitable content, fit for purpose and will be instrumental in preparing learners for employment in Northern Ireland and Covid-19 risk mitigation in preparing for industry.

Academy has reviewed the above qualifications and find that they are appropriate our learners. Academy hopes to register all its new and existing learners onto the relevant hairdressing/barbering or beauty/nail version of the training.

Please accept this letter as support for the two qualifications listed. Academy consents to the publication of this letter on the VTCT website and public body websites.

Yours sincerely

Colin Thompson
