SUPPORT FOR VTCT Level 3 Diploma in Personal Training (Gym based exercise)(QCF)
SUPPORT FOR VTCT Level 3 Diploma in Personal Training (Specific Populations)(QCF)

Please accept this letter as formal support for the personal training qualifications listed above. My colleagues and I have reviewed these qualification structures and are pleased to confirm that these qualifications are fit for purpose, highly relevant and will serve a useful purpose in preparing learners for employment as personal trainers. We are most certainly considering running these courses in the future.

We support inclusion of these qualifications on the 2017 performance tables and are happy for this letter to be made publicly available on the Department for Education and VTCT websites to confirm our support for the qualifications.

Yours sincerely,

Eric Duncan
