

UFA21 - Recognition and management of illness and injury in the workplace

Declaration that evidence is authentic

Learner name:	
VTCT Registration number:	

I declare that the evidence that I have submitted is authentic and that all assessment components were conducted under specified conditions or context.

Learner signature:		Date:	
--------------------	--	-------	--

It is a requirement of the regulatory authorities that awarding bodies, as part of the quality assurance process, check that the evidence submitted by the candidate is authentic. Additionally, awarding bodies must also be satisfied that the assessment was conducted under the specified conditions or context.

Assessor

I certify that the learner has demonstrated knowledge and understanding meeting the required assessment criteria for this unit.
